

Our Lady of the Sacred Heart Faith Formation; Family Events

As a part of our program, each family (grades 1-10) will choose (3) events to attend during the year. Students and at least one parent/guardian should attend. (for students in grades 6-10; family event participation replaces a yearly retreat) During the year you will receive more details for each event and others may be added as the year progresses.

You can sign up for your choices by calling our office at 824-8209 or email:
